

# RMC M&A Capture®

**COMPENSATION**

**BENEFITS**

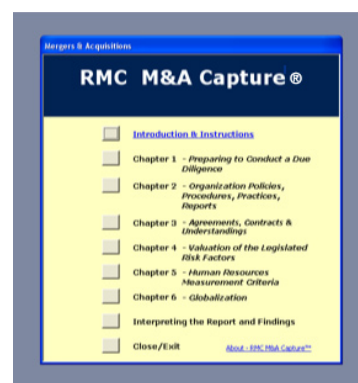

**PERFORMANCE  
MANAGEMENT**

Whether your organization is acquiring or merging, **RMC M&A CAPTURE®** will streamline the HR due diligence process.

This timesaving tool is the only program designed specifically for collecting HR information by asking all the questions needed for due diligence information capture. Whether using on your laptop or online, when all the questions have been answered a report is generated instantaneously.

**RMC M&A CAPTURE®** questions cover the following topics:

- Organization policies, procedures, benefits, practices, and reports
- Agreements, contracts, and understandings
- Valuation of the legislated risk factors
- Human Resources measurement criteria
- Globalization

*Requires Access 2000 or later to run.*

**Only \$199**
